

# NJACA'S 2019 SPRING FORUM

# REENTRY FROM THE INSIDE OUT:

## Integrated Correctional Reentry Practices

**WHEN: MAY 2, 2019 REGISTRATION BEGINS AT 8AM**

**WHERE: THE CONFERENCE CENTER AT MERCER COUNTY COMMUNITY COLLEGE,  
WEST WINDSOR, NJ**

Corrections has experienced a “transformation” over the last several decades. Jails and prisons are no longer considered warehouses with little personal interactions limited to a simple turn of a key. Rehabilitation has become the main focus. NJACA is proud to recognize the innovative reentry work being done by New Jersey’s correctional entities, that often goes unnoticed.

“Reentry from the Inside Out” will feature panel discussions that showcase best practices in correctional reentry. Panelists will discuss various reentry practices currently in place in their respective jurisdictions, covering topics such as education, programming, treatment, community outreach, and case management.

This event is a great opportunity to exchange insight and perspectives, and to learn about some of the unique reentry initiatives that have helped New Jersey to become a leader in criminal justice reform.

**Pre-registration is required. Register 8 attendees, get an additional 2 registrations free. Continental Breakfast and lunch are included with registration.**
